## ABOUT US •

Established in the year 2013, We, Vishal Industries an ISO 9001-2015 Certified Company and ISI Certified Company (Certified by Bureau of Indian Standards) are one of the leading Manufacturers and Exporters of High Quality LP Gas Cooktops. Being a reliable manufacturer and supplier, we are offering all kind of Cooktops like Four Burner Glass Cooktop, Three Burner Glass Cooktop, Two Burner Glass Cooktop, Four Burner Oval Cooktop, Three Burner Oval Cooktop, Two Burner Oval Cooktop, Two Burner Stainless Steel Cooktop, Single Burner Cooktop and many more. Complying with national and international quality standards, our products are offered to the market with great features and qualities. We carry on the legacy by keeping our customers ahead than the rest. The gamut is extremely trendy, matches to the decor of every kitchen, perfectly finished and expresses individual's style. We assure our clients that their demands meet with high quality range products.

Our company has gained success due to our state-of-art infrastructure & team efforts and also we have been able to manufacture quality range of Cooktops. The experienced technicians and process handling staff assists us in delivering optimum finish, safety and operational standards in the range offered by us. Apart from this, these products are known for their attractive design, crack resistance, easy usability, and durability. Our research and development process supports us to keep pace with current technological advancements in our range.

Led under the dynamic leadership of our Managing Director Mr. Vishal Gupta, we have been able to reach the pinnacles of success. With his over a decade of experience and sharp business insight, our company has carved a niche in the competitive market.

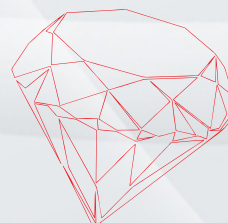

## VISION •

"At Vishal Industries, our vision is to be recognized globally as a premier manufacturer and exporter of high-quality LP Gas Cooktops. We aspire to set industry standards by consistently delivering innovative and trendsetting products that enhance the cooking experience. Our commitment is to provide customers with cooktops that not only meet but exceed their expectations, ensuring their kitchens are equipped with the best in terms of design, functionality, and durability."

## MISSION

Our mission at Vishal Industries is to manufacture and export a diverse range of cooktops, catering to the varying needs of our customers. We aim to achieve this mission by upholding the highest standards of quality and safety in compliance with both national and international regulations. We are dedicated to

maintaining our ISO 9001-2015 and ISI certifications, assuring our customers of the reliability and excellence of our products. Through continuous research and development, we strive to stay at the forefront of technological advancements, ensuring that our cooktops not only meet current standards but also anticipate and adapt to future trends. We are committed to fostering a culture of innovation, teamwork, and customer satisfaction, driven by the leadership of our Managing Director, Mr. Vishal Gupta. Our success lies in our ability to consistently deliver cooktops that blend style, functionality, and durability, making Vishal Industries the preferred choice for customers worldwide.
